- Any further information please contact the school or Debbie on mobile- 0419216006
- If you would like to have this newsletter emailed to you please provide the school with your email address.

PURPLE DAY

FOR EPILEPSY

March 26

- Throughout March, Epilepsy Australia is urging people around the country to end the stigma and discrimination of epilepsy and 'GO PURPLE', the international colour for epilepsy.

Epilepsy is a common brain disorder which takes the form of recurring seizures. It can develop at any age, regardless of gender or ethnicity. An estimated 65 million worldwide currently live with epilepsy - in Australia alone approximately 250,000 people live with epilepsy and one in 25 people will have epilepsy at some point in their life.

Purple Day aims to encourage people to talk about epilepsy and to remind those who live with seizures, that they are not alone.

- Founded in 2008 by a young Canadian girl called Cassidy Megan, it has since become a global campaign dedicated to increasing epilepsy awareness worldwide.

On Monday the 26th of March Wyaliba Public School will be hosting a casual clothes day students are asked to wear purple and bring a gold coin donation for a yummy morning tea.

SHARE A TOY, SHARE A SLIDE,

SHARE THE FEELINGS DEEP INSIDE,

BUT NEVER SHARE A HAT OR COMB,

OR LICE COULD MAKE YOUR HEAD
THEIR HOME.

Dear Parent:

A case of head lice has been detected in your child's class. Anyone can get head lice... mainly through direct head-to-head contact but also from sharing hats, brushes and other personal items. Head lice are a problem in many communities and do not reflect poor hygiene or social status. Please do your part to prevent the spread of this communicable condition by checking your child(ren) daily for the next few weeks, and on a regular basis thereafter. Lice infestation is much easier to treat if caught early.

If you should discover a case of head lice, please notify your child's school, child care center or camp. Notify the parents of your child's playmates. This is the best way to protect your family and community.

If you have any questions or need assistance, please contact Wyaliba Public School.

Thank you for your cooperation
