Our School is participating in the **Premiers Spelling Bee**

The Premier's Spelling Bee was introduced in 2004 as a fun and educational way for primary school students to engage in spelling. The program includes activities to encourage all students to improve their vocabulary and spelling and to promote literacy skills in combination with the English K-6 Syllabus.

State finalists receive silver medallions, a Macquarie Dictionary, a Scrabble board game as well as a gift from MTA. State Champions receive gold medallions and are acknowledged along with their school on a perpetual trophy. State winners and runners-up also receive a free Macquarie Student App download, and a one year subscription to Macquarie Dictionary & Thesaurus Online for their school.

We will be holding a Spelling Bee at our school early Term 3. Finalists will go on to compete at the regional spelling bee during Week 7 & 8 in Term 3.

Parents, caregivers, family and friends can assist student's by encouraging student's to do their spelling homework, give practice spelling tests and positive encouragement. You can find extra Spelling Resources online at:
