Helping children on and off the bus safely

Your children are most at risk in the minutes after getting off the bus. Here are some ways you can reduce this risk:

- Always meet your child at the bus stop. Never meet them on the opposite side of the road and call them across.
- Wait until the bus has gone, then choose a safe place to cross the road. Remember to Stop! Look! Listen! Think!
- If you cannot meet your child, organise for another trusted adult to take your place.
- Wait at the bus stop and stand at least one step back from the edge of the road.
- Always wait until the bus has gone, then use a safe place to cross.
- Buckle up if the bus has seatbelts.

Model safe pedestrian behaviour. Children learn safe road user habits from you and will continue them later on when they are old enough to travel alone.

Until your child is at least eight years old, hold their hand on the footpath, in the carpark and when crossing the road. Up until at least 10 years old, supervise your child very closely, holding their hand when crossing the road.

STOP!

one step back from the kerb

LOOK!

continuously both ways

LISTEN!

for the sounds of approaching traffic

THINK!

whether it is safe to cross and keep checking until safely across

Messages to share with your children in Kindergarten to Year 2

Hold a grown up's hand when:

- you cross the road
- you're on the footpath
- you're in a car park

Messages to share with your children in Years 3 and 4

- Use a safe place to cross the road

Messages to share with children in Years 5 and 6

- Stop! Look! Listen! Think! every time you cross the road and keep checking until safely across

Kindergarten to Year 6

- Wait until the bus has gone and then use a safe place to cross
