This week students have been supplied with Learning -from- Home Packs. Included is a paper copy of one week of schoolwork, a pencil, a whiteboard marker and a mini whiteboard.

These packs are to be used during emergencies or severe weather events, when students are unable to access the school site.

Students can complete the activities on paper, or if using the QR codes, can be guided through online activities. When using the packs, extra items can be easily found at home - pegs, socks, pencils etc- so there is no need to collect any extra resources.

Please keep the packs in a secure place and use only if needed.
