We would like to extend a big welcome to Jace!

Congratulations on a great first week back at Wytaliba PS!

Awesome Attendance

Congratulations

Allara, Aiyanna,

Samuel, Lewis & Jace.

for 100% attendance this week!

Well done.

Congratulations to Allara and Samuel for achieving 50 nights of home reading!

Uniforms: A new order of school shirts and jumpers has just been ordered. We will let families know when it arrives. If anyone has any old uniforms they would like to donate, please send them to school.

School News :

On Friday the 28th of April, qualifying students travelled to Tenterfield to compete in the Northern New England District Cross Country.

Competition was fierce with a strong field of experienced runners. Jarrahky, Allara and Samuel ran in the two kilometres 8 years and 10 years races. They competed very well and displayed great sportspersonship.

Congratulations to all three runners on an excellent effort and a special congratulations for Allara who qualified for the next round. She will be representing Wytaliba PS at the Regional Cross Country in June. Well done running team and terrific effort Allara!

Attendance Tip -

Please remember to contact the school on 67335353 if your child is going to be away or late for school.

This is best done early in the morning so your child's absence can be recorded correctly.

Breakfast for brain power!

A healthy breakfast fuels physical activity and improves attention span, concentration, and memory - all important for learning!

Breakfast is a great way to get essential nutrients. Some ideas for a nutritious breakfast include:

- Wholegrain cereals - Weetbix, Cheerios, Sultana Bran, porridge
- Wholegrain toast - topped with avocado, tomato or reduced-fat cheese
- Untoasted muesli topped with reduced-fat yoghurt
- Raisin toast
- Fruit and vegetable smoothies

If you are running short of time in the morning, try on-the-go options like a tub of low-fat yoghurt, cereal to munch on, overnight oats or a piece of fruit!

Even a small breakfast will help your child to reach their potential at school.
